

Printing Realist Maps

Some Realist users may encounter an issue when trying to print Realist Maps, where the House Icon with the check-mark does NOT show up when they print out the document. Perform the following steps to resolve this.

1. Open up Internet Explorer, and go to **Tools**, then **Internet Options**
2. Next click on the **Advanced Tab**
3. Scroll down to the section with the heading **Printing**
4. Put a check-mark under **Print background colors and images**
5. Click **Apply** and **OK**
